Homestead Two Story Modular Cabin | Riverwood Cabins

The Homestead Act. Passed by Congress in 1862, The Homestead Act provided for the initial settlement of present-day South Dakota. A typical 160-acre farm cost about \$18. A settler had to homestead the land for five years. Settlers normally scouted then selected their homesteads in the fall, returning home to wait out the winter.

Book tells story of how Jewish farmers kept their faith ...

The Homestead was a book that took place during the Great Depression. An Amish family leaves Lancaster and heads to North Dakota to claim a homestead. What the family does not account for is that North Dakota is very different from Lancaster. All of their efforts to plant corn fail due to the climate. The family has to face many difficulties.

Homestead. Relaxed. The Homestead is a one-and-a-half story home with a steep roof, A-frame dormers in the front and a flat shed dormer in the back. The dormers don't just look great, they also give the second floor generous room for bedrooms and a bathroom, as well as bonus loft space that can be used for playing games, watching TV, or a quiet sitting room.
