How to Grow Citrus Practically Anywhere by Darren Sheriff ...

The book "How To Grow Citrus Practically Anywhere" was going to be my first book, but then my work situation changed and it got hard to find time to write. Then, when it changed again, I had a chance to toy around and write Gardening Zone 8, the first three months. that was more of a dry run for future books.

How To Grow Citrus Practically Anywhere: Darren Sheriff ...

A plant stand or cart with wheels can also make a nice addition, for ease of movement. Citrus plants also need well-draining soil. Fill the pot with a citrus soil blend, or use regular potting soil mixed with perlite, small gravel, pumice, or expanded shale, which will help to ensure adequate drainage.
