This is where information was hard to find. I discovered from my press' prior owner, the late John Moran, that Kluge did not, apparently, print an "Open" Kluge manual. The "manual" supplied with my press by Kluge is the Automatic manual, and it is not really a service manual so much as an inventory list.

All new and remanufactured Kluge presses come with an owner's manual and a part's manual. A new Kluge press has a one year warranty on parts and a Remanufactured Kluge has a 6 month warranty on parts. Kluge maintains a complete inventory of parts for all presses that are currently manufactured.

Kluge Press Parts

Always: I got my first platen press when I was 12 years old, a foot-treadle Kelsey Union. I taught at a couple Universities after college for about ten years, and took a position in a corporate setting in which I have worked for the past 29 years, in troubleshooting production processes and new product development, dealing with printing processes, label materials and adhesives.
