There is usually a way to get around these types of excuses if there is something on the horizon that would be really beneficial to you if you were to complete it. If this is your excuse, go back and think about your priorities and consider whether or not the excuse is, in fact, valid. Reason #10: You're set in your ways

### **James M. Bleech (Author of Let's Get Results, Not Excuses)**

We need to let the referee's sole thing be to protect the quarterback and get those late hits out of there. They even have a stat on television that says 'knockdowns.' Knockdowns means that you knock him down after he throws the ball. The assumption is, if it's legal, we'll make excuses for them.
