A cat love bite can certainly be a result of overstimulation. Cat love bites can also be unintentional, as part of the cat's grooming process. They could be "licking for a certain period of time, then using their incisors to get a particular area. Your cat may choose to groom you, your hand or face or head," says Dr. Sung.

During one rehearsal, the musicians performed "Love Bites (So Do I)" by Halestorm. Feeling that the song fit well with Asami's voice, it left an impression on all of the members and they chose Lovebites as the name for their new band. They had their first concert on November 18, 2016 at Tsutaya O-West.
