Guide for Apple App Store submissions | Adobe Developer ...

It is clean and it does what I need it to. I use the app on my iPad Pro as well, and I love it there too. On the Mac, it doesn't seem to conform to Apple's UI guidelines in terms of how preferences are displayed and modified, but I really couldn't care less (also I'm not sure if the guidelines have changed).

App Store - Apple

Not a good app Among other problems, it really doesn't stick to Apple Design Guidelines, so it really doesn't feel like a typical Mac app at all. I suspect the developer was new to the platform. It works for a simple kid drawing program, but that's really about it... and it doesn't do that particularly well.

Apple App Store Icon - Free Download, PNG and Vector

Hi, I have been trying to resolve another warning. WARNING ITMS-90704:

"Missing App Store Icon. iOS Apps must include a 1024x1024px App Store Icon in PNG format. Without providing the icon in the Asset Catalog or via iTunes Connect, apps cannot be submitted for App Review or Beta App Review.

App Icon - Icons and Images - macOS - Human Interface ...

Mimic your small icon with your App Store icon. Although the App Store icon is used differently than the small one, it's still your app icon. It should generally match the smaller version in appearance, although it can be subtly richer and more detailed since there are no visual effects applied to it. Spotlight, Settings, and Notification Icons

Mac App Store Guidelines - How the Mac App Store Works ...

App Store icons are 512 × 512 pixels. For development builds, this icon is included in the application package and is referenced in the publish settings or application descriptor file. However, you

Read Book Mac App Store Icon Guidelines

should not include it as part of the application for the final release.

Vectornator Pro - Vector Art on the Mac App Store

This icon is a part of a collection of Apple App Store flat icons produced by Icons8. Icons follow the guidelines of iOS, Windows, and Android and are designed by a single designer, guaranteeing the consistent quality.

Mac App Store Icon Guidelines

Your macOS app icon should be recognizable, but not an exact copy of your iOS app icon. In particular, the macOS icon shouldn't use the same rounded rectangle shape that the iOS icon uses. App Store, Maps, Notes, and Reminders provide icons for macOS and iOS that are recognizable, yet distinct from one another.
