Making sense of integrated care systems, integrated care ...

Sometimes it is morally wrong to treat persons as means. When a person says that someone is treating him merely as a means, for example, he often implies that she is failing to abide by a moral norm. Ethically disapproving judgments that a person is “just using” or sometimes simply “using” another are common in everyday discourse (e.g., Goldman & Schmidt 2018).

Funny | Definition of Funny by Merriam-Webster

According to the American Art Therapy Association, art therapy is “an integrative mental health and human services profession that enriches the lives of individuals, families, and communities through active art-making, creative process, applied psychological theory, and human experience within a psychotherapeutic relationship”.
