Breeding a million-dollar bird - Farmer's Weekly

Pigeon racing is the sport of releasing specially trained racing pigeons, which then return to their homes over a carefully measured distance. The time it takes the animal to cover the specified distance is measured and the bird's rate of travel is calculated and compared with all of the other pigeons in the race to determine which animal returned at the highest speed.

Breeding Techniques - Racing Pigeon Sport

The program is aimed at racing pigeon fanciers who are computer novices but still want lots of features. The program allows you to customise your system so that you can have your own loft names, strains, and bird colours. This is so that you can pick the items from a list instead of typing them in each time that you add a new bird.
