...

The manual transmission is on the endangered species list. Every year fewer and fewer cars are offered with a clutch and a shifter. Why? Americans just don't want to be bothered with the chore of ...

A-Affordable Transmissions Center

When you're checking a used car for any problems with a manual transmission, you probably want to focus on the clutch, especially in older or well-worn models. If the clutch is nearing the end of its lifespan, the transmission will start to slip on acceleration, produce a burning smell, and the clutch will engage too quickly after you depress the pedal.

Stick-Shift Cars | 20 Best Manual Transmission Cars

Cars with manual transmissions are rapidly disappearing from America's new car showrooms, spurring a groundswell of efforts to #SaveTheManuals. Though industry sources peg the percentage of stick shift cars, trucks, and SUVs sold in the low single digits, you can still find manuals if you know where to look.
