Marine Licensing in Scotland

The Marine (Scotland) Act 2010 ('the Act') along with the Marine and Coastal Access Act 2009 ('the UK Act') is the legislative and management framework for the marine environment.

Implementation of the Acts, in particular marine planning, provides key delivery mechanisms of the Marine Strategy Framework Directive.

Marine Licensing And Planning Law

Marine Licensing This is one of the most important sections of the Marine and Coastal Access Act 2009. Many of the activities that take place at sea need an authorisation or consent. In the past the two most common consents required were under the Food and Environmental Protection Act 1985 and the Coastal Protection Act 1949.
