Modular Component Systems??? Who really made these ...

Many collectors overlook this receiver and mistake it for a cheap, low quality unit. That's not the case. This MCS 3125 is considered a "Monster" receiver and is actually well built and a great performer. MCS was the house brand for JC Penney back in the 70's and the 3125 was their top of the line receiver at the time.

Modular Component System MCS Series 3233 -- 100% working!

VINTAGE MCS MODULAR Component Systems 3230 Stereo Receiver - \$125.00. Great little receiver in great shape and sounds good to. The volume knob has some static when turning it up and down. Probably just needs a little contact cleaner. FAST SHIPPING 153684005227

MCS 3125 Stereo Receiver Review price specs - Hi-Fi Classic

This solid state MCS 3233 from Modular Component Systems was manufactured in during the late 1970's and into the very early 1980's. MCS was a house brand for JC Penney. MCS didn't actually manufacture their equipment and there has been quite a bit of discussion online as to who made their receivers.

MCS 3233 | Classic Receivers

The Modular Component Systems receivers once marketed by J.C. Penney are rising in value and recognition. Once assumed to be poorly built and designed for visual shock value rather than function their reputation has risen in the last few years. This is the MCS 3275 which, at the time, was the next unit down from the top of the line 3125.

VINTAGE MCS MODULAR Component Systems 3230 Stereo Receiver ...

I have noticed that late MCS branded items had a blue-green MCS logo. This was clearly a later generation that the first few or several years. I know the early MCS turntables were mostly or all Technics, higher end (at least) MCS receivers were NEC, and Technics made many of the MCS speaker models, slightly modified from Technics speaker models.

Modular Component Systems 3275 | Classic Receivers

Thing is it's titled differently. Now it says Modular Component Systems with an s in upper left hand corner. Just below the vcolumn knob middle center, it says Panasonic over MCS Series. All my other MCS gear says Modular Component System without the s and no mfg info until you get inside. Broc
