Algebra by Design, 1990, Russell F. Jacobs, 0918272173 ...

Horizons Pre-Algebra is included among my Top Picks. Horizons Algebra 1 is so similar to Pre-Algebra that I decided to combine their reviews into one. However, Algebra I didn't make my Top Picks because it is a little more challenging to use than Pre-Algebra. Both courses use a traditional approach that also includes some use of manipulatives—more in Pre-Algebra than in Algebra 1.

More Algebra by Design - Tessellations

Algebra by Design Second Edition by Russell F. Jacobs This popular publication contains 44 one-page activities which provide review and practice of basic algebraic concepts and skills. The second edition, published in June of 2012, contains four new exercises on opposites and finding the missing term in a sequence.

More Algebra by Design - Tessellations

"Algebra I Topics by Design" contains 42 activity pages covering topics found in most first-year algebra programs. There is no repetition of exercises found in "Algebra by Design" and "More Algebra by Design", and in general the exercises in this new book are at a higher level of difficulty.
