Jeff May 21st, 2013 . I was a major victim of a Narcissist! It has destroyed my family, business, friends and now rolls into my current relationship. I was with her for 11 years - then we split for a while, I met someone else who was wonderful and I swore that I would never go back (This is before I understood what a narcissistic was or that I was being so damaged).

## **4 Ways to Live with a Narcissist - wikiHow**

When season 1 of "You" aired, fans took to Twitter to discuss Goldberg's mental health, though he's never diagnosed with a particular condition in either season. Still, many viewers seemed to believe he is a psychopath. But according to mental health experts, Goldberg's mental health is more complicated, especially since the term psychopath doesn't hold much meaning, clinically speaking.
