In ancient Rome the Latin word adlocutio means an address given by a general, usually the emperor, to his massed army and legions, and a general form of Roman salute from the army to their leader. Many researches of adlocutio focus on the art of statuary and coinage aspects. It is often portrayed in sculpture, either simply as a single, life-size contraposto figure of the general with his arm ...

### **Italian Hand Gestures - Wikipedia**

Pollice verso or verso pollice is a Latin phrase, meaning "with a turned thumb", that is used in the context of gladiatorial combat. It refers to the hand gesture or thumb signal used by Ancient Roman crowds to pass judgment on a defeated gladiator. The precise type of gesture described by the phrase pollice verso and its meaning are the subject of much scholarly debate.
