Prospective users of the NEC3 contract are encouraged to study the FAQ's in order to avoid unintended contract provisions. The often unintended Option C scenario where a Contractor is paid monies in excess of the Target Cost plus maximum share provisions is specifically not addressed in the guidance notes / Frequently Asked Questions.

**NEC Downloads, useful NEC Flow Charts & Guides - GMH**  
The last RICS survey of contracts in use showed that the JCT forms accounted for more than 90% of projects. That comes as a bit of a surprise when you look at the rate at which the public sector is adopting partnering contracts in order to comply with government guidance and to secure funding. The sort of client that is moving towards partnering seldom seems to want to use a JCT contract, even ...
