Joanne Meyerowitz: Not June Cleaver

True, June Cleaver was a housewife, but so were millions of women in the late 1950s and early 1960s when the show aired. While there are still women who have the luxury to choose to be housewives instead of working outside the home, housework is often looked down upon by others as a thing of the past that represents a time when women did not have as many freedoms as they do today.
