The leading players - politicians, especially - in the debate on asylum and immigration in the U.K., and across Europe generally, could do much worse than to take a look at Reimers's Other Immigrants. What this book tells us about America will in some ways confirm a host of post-Katrina perceptions, currently rampant in Europe and elsewhere, that the national story is a dreary narrative of loneliness, hardship and disappointment on the part of the immigrants, and one of racism and ...

4 The U.S. immigrant population is not as diverse in origin as those of other countries. Even though the U.S. has immigrants from nearly every country of the world, it doesn't have the most diverse pool of immigrants. The U.S. has a score of 91 on a 1-to-100 diversity index. By comparison, Denmark and the UK have some of the highest immigrant ...

Immigration in American Economic History

Thirty-five years ago this book, which is a history of the first generation of blacks, Asians, and Hispanics coming to America, could not have been written. The essential scholarship was uneven, and in many cases historians and other scholars had no knowledge of particular immigrant and ethnic groups.
