The Overhand Throw Cues You can check out a quick review of my Throwing Cues with an older class below: When introducing the overhand throw I always like to make sure kids know when you would want to use an overhand throw instead of an underhand throw.

## **iRubric: Overhand Throwing Assessment K-3 rubric - Rcampus**

This is a lesson plan to teach the concept of overhand throwing to elementary students, particularly second graders. Rationale: This lesson plan is designed around the development of an overhand throw. Students at this age most likely understand how to hold a ball when throwing, as well as what hand they will use to throw an object.
