While Panama is most famous for the Panama canal, there is so much more, and this adventure map by National Geographic can help you find it all. From a vibrant capital city to rain forests teeming with biodiversity, from paradisiacal beaches to mountains laced with rushing rivers, Panama offers a wide array of adventures that derive from and respect its natural and cultural heritage. This ...

### **Panama Adventure Map by National Geographic Maps**

Planning to live in Panama for two months, my research on available, up-to-date, road maps led me to order the National Geographic map. Reviews from others suggested it was the best of those available at the time. My rental home was about six hours north of Panama City in a small complex where the road actually ran into the Pacific Ocean.
