importance of performance in and to politics, which can be broadly defined as the distribution of power, and, specifically, how the changes over time in the social profile of parliaments 1 are reflected in the political performances conducted within them.

Performance studies - Wikipedia

Unmarked is a controversial analysis of the fraught relation between political and representational visibility in contemporary culture. Written from and for the Left, Unmarked rethinks the claims of visibility politics through a feminist psychoanalytic examination of specific performance texts - including photography, painting, film, theatre and anti-abortion demonstrations.
