resources has emerged as a fundamental principle in international law, allowing postcolonial states to assert full sovereignty or 'sovereign rights' over natural resources found within the limits of their jurisdiction.

Permanent Sovereignty over Natural Resources | Marc ...

19 Sovereign claims to natural resources did exist before the introduction of the system of permanent sovereignty. Their pedigree is linked to the emergence of absolutist sovereignty in Europe and colonialism. A system in which rights to natural resources are a part and parcel of a set of rights and prerogatives involved in sovereignty and belong equally and inalienably to every sovereign ...
