A Historical Perspective to Women in Leadership

"I believe women make phenomenal leaders because they are experts at making the impossible seem possible. And sometimes on a good day they even make it look effortless. Women are pragmatic, resilient and usually able to maneuver tricky situations with grace. Their perspectives are borne out of a mix of trial by fire and sheer fortitude.

17 Reasons Women Make Great Leaders - Replicon

Women have increasingly moved toward greater gender equality at home and in the workplace. Yet, women are still underrepresented in leadership roles and still considered an anomaly compared to men when in high positions of leadership especially within institutions of higher education.
