formatting rules can vary widely between applications and fields of interest or study. The specific requirements or preferences of your reviewing publisher, classroom teacher, institution or organization should be applied.

Reading Together — Learning Together

READING AND WRITING TOGETHER. Writing is not a skill that students learn separate from other processes. It combines many complex activities, including categorizing, building key terms and concepts for a subject, measuring one's reaction to a subject, making new connections, abstracting, figuring out significance, and developing arguments—to name a few.
