Book Review: Remaking the Chinese Leviathan: Market ...
In Remaking the Chinese Leviathan, Professor Yang Dali presents a strong case that the Chinese state has made "substantial progress in improving the institutional framework for economic governance" (p. 21). This book is a timely contribution to that aspect of contemporary China studies where recent scholarship on state-market relations has moved beyond broad sketches of the political system ...

Remaking the Chinese Leviathan: Market Transition and the Politics of Governance in China. Though still a work in progress, Yang argues, taken together these reforms have improved the institutional environment for economic development and altered the landscape for China's ongoing struggle against rampant corruption.

China: Political Economy & Governance | Dali L. Yang
In this provocative, important study, Dali Yang examines a wide range of governance reforms in the People's Republic of China, including administrative rationalization, divestiture of businesses operated by the military, and the building of anticorruption mechanisms, to analyze how China's leaders have reformed existing institutions and constructed new ones to cope with unruly markets, curb corrupt practices, and bring about a regulated economic order.
