The short answer is yes; there is nothing grammatically wrong with starting a sentence with a conjunction like but, and, or or. But this answer comes with a warning. The idea that you shouldn't begin a sentence with a conjunction is one of those "rules" that really isn't — along with some others you've probably heard, like "never split an infinitive" and "don't end a sentence with a ...

Is it ever okay to start a sentence with the word but? - CliffsNotes
