Our Survival Greenhouse is versatile and adaptable. You could fill it up from wall to wall with your favorite hydroponic garden systems, or even use container gardening with soil, if you prefer. Growing lots of healthy, delicious, poison-free produce for your family is immensely satisfying, and a worthwhile endeavor; whether you find yourself in the middle of a disaster or not.

### **YouTube- Secret Garden, Greenhouse and Livestock Tips and ...**

The Secret Garden of Survival is based on years of research, experimentation and first hand experience on using permaculture concepts in a homestead orchard, vineyard and berry farm. These techniques work- amazingly well- because you simply let nature do what it wants to do, instead of trying to force nature to do what man wants it to do.
