established network of social institutions plays a key role in the protection and promotion of the economic and social well-being of citizens. It is based on the principles of equality of opportunity, equitable distribution of wealth,...

Selling the Welfare State: The Privatisation of Public ...

Council house sales is not a new policy but it is only in the 1980s that it has become sufficiently important to merit the term 'social revolution'. The sale of over one million dwellings in six years has involved a rapid change in ownership and control of housing and significant redistribution of assets from the state to individuals.

Selling The Welfare State - University of Bristol

The welfare state is a form of government in which the state protects and promotes the economic and social well-being of the citizens, based upon the principles of equal opportunity, equitable distribution of wealth, and public responsibility for citizens unable to avail themselves of the minimal provisions for a good life. Sociologist T. H. Marshall described the modern welfare state as a ...
