The Women's Charter is an Act of the Singaporean Parliament passed in 1961. The Act was designed to improve and protect the rights of females in Singapore and to guarantee greater legal equality for women in legally sanctioned relationships. Among other things, the Act provides for the institution of monogamous marriages, the rights of husbands and wives in marriage, the protection of the family, and the legal potentialities with regard to divorce and separation.

Role charters are not job descriptions, even though they may seem similar. Job descriptions are HR documents that reflect roles and responsibilities as they exist; they are not directly linked to an organization's vision, goals, and metrics. Role charters, on the other hand, are active, living documents that are meant to imbue
