Personal issues. Personal issues are those that individuals deal with themselves and within a small range of their peers and relationships. On the other hand, social issues involve values cherished by widespread society. For example, a high unemployment rate that affects millions of people is a social issue. The line between a personal issue and a public issue may be subjective and depends on ...

Social Policy Essay: What is Social Policy?

Public policies often mirror a community's or society's norms (the unspoken rules of "how things should be"), and, as a result, are often a direct reflection of social determinants. Changing or instituting policy is generally a matter of advocacy.
