Storr's celebration of creative solitude is a counterbalance to the chorus of self-help books extolling interpersonal relationships. This British psychotherapist links the capacity to be alone with sel

Solitude A Return To The

For Storr, solitude is an important part of a healthy human life, though it plays different roles for different people. He pushes back quite a bit here on psychological systems that only emphasize the significance of relationships in psychological health, This is a now fairly old title that is well worth picking up nonetheless.
