curious about a subject, but you couldn't reference it in academic work. It's also worth noting that although Wikibooks' editors are sharp-eyed, some less scrupulous contributors may plagiarize copyright-protected work by other authors. Some recipes, for example, appear to be paraphrased from well-known chefs.

Follow the color coding if your DVD player uses an A/V cable instead of HDMI. Some DVD players come with an A/V cable instead of an HDMI cord. An A/V cord will have red, white, and yellow prongs. Insert each prong into the corresponding plug on the back of your TV, and plug the other end of the cable into your DVD player.
