Director: A Visual

Analysis  
Kubrick left behind a movie that was emblematic of his work as a whole: Something that equally divided critics, left many early audiences puzzled and made others wonder about the ultimate disposition of the whole Kubrick legacy.

filmmaking. He enjoyed making short films and became very proficient at doing so. Eventually he made his first feature film *The Killing Fields* (1953) as an exercise in low-budget filmmaking. That film was not a commercial success, and he had to work hard to get funding to keep working as a filmmaker.
