**Gay slave stories post : a Gay Sex**  
Each male slave was traditionally paired with another, who would help him work out. The eunuchs helped make sure that the pair only worked out in the traditional sense, but nevertheless getting paired with a stud wasn't the worst thing that could happen. The eunuchs read out name after name, and the men went off in pairs to work out.

**5 Daring Slave Escapes - HISTORY**  
Just below his confident macho slave exterior was a less confident and not very macho slave interior; a slave interior which was nervously nursing its unvoiced and unhealthy slave fears. Slave b. was worried that the reason his Master was suddenly allowing him to explore sexual relationships with other men was because he was about to be un-owned.

You would not like being a chained slave in the fields! You have a new supervisor now. You must obey her as you would me. I hope you don't think I was too cruel with you. I was strict, as I had to be. But you endured so well! I was proud to be your supervisor. We have a new slave coming tomorrow, and I will put him on the gate, on your old chain.
