Super Powers Companion Savage Worlds

I've run a golden age supers game using savage worlds deluxe and the super power companion and it worked well. Heck, the supers companion would likely still work for the most part with SWADE with only a few edge cases (and a new one is in the works). Ive found that the supers companion does a really good job for most things. The pulpier, the ...

Bad Powers, Good People - TV Tropes

A battle between two or more female combatants that differs from the Designated Girl Fight only in that it's invoked for Fanservice purposes more than anything else. Though the label may be attached to any girl-fight, a true cat fight generally lacks finesse/combat skill. The combatants may take the fight seriously, as usually they aren't trying to titillate an audience or amuse each other ...

Addendum companion book and Thrilling Tales which take the Tales of the Aeon Society radio drama and turns each chapter into a playable adventure! And we're not even half-way over! In keeping with last week, I'd like to continue to try and touch a bit on why the pulp genre seems like such a rich genre for TTRPGs to me.

Contrast My Species Doth Protest Too Much; that's when it's a matter of a member of a (commonly thought to be) Always Chaotic Evil species decides to cowboy up for the good guys. A subtrope is Faustian Rebellion, where powers the Big Bad granted to a former minion are used this way. Also see Phlebotinum Rebel, where good guys use powers made by the bad guys but they're not "bad powers" per se ...
