Teachers Know. Teaching at its most literal level educating, imparting knowledge is the most fundamental part of a teacher's job. It is more obvious than (though just as important as) inspiring, motivating and forming relationships. But just like many other elements of the job, the act of teaching is personal. No two teachers are the same.

How do you teach something when you don't know it yourself?
We just wanted you to know that we were so proud of you." The contact is fleeting but Bucky holds on to the feeling of it, the way Mikki's words make him feel warm, like his ma has reached out and touched him in passing just because she loves him and because he's done well.
