would never have become what it is today and for that we'll forever be grateful. Thank you. E and I have both reached points in our lives now where we can no longer keep doing Teahouse. For as much as it's brought to us through the years, it's also been a massive amount of work and though we'd love to keep doing it, it's ...

The important thing to keep in mind is, even if Teahouse's upload schedule has to change, I don't want to end Teahouse. This is a life changing event for me and it's going to be hard work but I would like to continue Teahouse. For now, I don't have an end date in mind for the hiatus, but the earliest we could come back is Nov 4.
