### **The Affirmative Action Empire: Nations and Nationalism in ...**

*The Affirmative Action Empire* Book Description: The Soviet Union was the first of Europe's multiethnic states to confront the rising tide of nationalism by systematically promoting the national consciousness of its ethnic minorities and establishing for them many of the institutional forms characteristic of the modern nation-state.

### **Terry Martin. An Affirmative Action Empire: Nations and ...**

*The Affirmative Action Empire: Nations and Nationalism in the Soviet Union, 1923-1939*. Contrary to earlier Bolshevik mantras, Lenin and his partner in nationality policy, Stalin, committed the regime by 1923 to developing non-Russian languages, elites, territorial units, and cultural forms -- all at the expense of Russian nationhood and culture.

### **Amazon.com: The Affirmative Action Empire: Nations and ...**

The original 'Affirmative Action Empire' strategy was specifically designed to prevent the emergence among the non-Russians of the subjective perception that they were living in a Russian-dominated empire, for Lenin and Stalin correctly understood that in the age of nationalism, the subjective perception of empire meant the belief that the state would eventually collapse along national lines.

#### **National delimitation in the Soviet Union - Wikipedia**

The essential premises of the Affirmative Action Empire, that nations needed to be fostered as a way of undermining nationalism and providing a national link to Soviet values, remained constant. For the breadth of its scope, the depth of research and its innovative findings which are meticulously supported by evidence and argument, this book is a classic.

#### **The Affirmative Action Empire: Nations and Nationalism in ...**

After the establishment of the Soviet Union within the boundaries of the former Russian Empire, the Bolshevik government began the process of national delimitation and nation building, which lasted through the 1920s and most of the 1930s. The project attempted to build nations out of the numerous ethnic groups in the Soviet Union.
