School Groups/Educational Tours. Please contact Park Interpreter Sharon Peterson via email (Sharon.Peterson@parks.ca.gov) for information regarding School Group Programs and/or Education Tours. Permits are required for groups, and due to the fact that these groups often arrive in oversized vehicles, information must be provided to drivers in advance of their arrival that will help make the ...

California Department of Water Resources

There is clear evidence of the vulnerabilities in the Sacramento-San Joaquin Delta (Delta) posed by climate change and earthquake risk. As sea levels continue to rise, the Delta will be faced with increasing water levels and salinity, which will dramatically alter and harm water quality and supply locally and for 27 million Californians across the state.
