The Elements of F*cking Style is, as its subtitle makes plain, a helpful parody. Let’s be obvious: the asterisk is for display purposes only; this is not a book for anyone even remotely prudish about ‘bad’ language, sex or drugs. But despite its facetious title, it is more than just a parody, even a helpful one.

The Elements of Style - Wikipedia
Perhaps the best evidence for the book's ambiguity is the style of The Elements of Style itself. That is, the main thing that distinguishes The Elements of Style from the multitude of composition handbooks available today is the voice Strunk and White generate in it. In the book's introduction, White says, in fact,...
