My husband has had hyperlordosis forever. He recently was in a car wreck (not his fault) and has had a lot of neck, shoulder and back pain. He started physical therapy yesterday he only has right now one home exercise and it's for his neck right now. But however, he was given a small log roll to put at his lower back when sitting and driving.

How To Fix An Arched Back (Hyperlordosis) - Posture Direct

As regenerative medicine has gained popularity over the last two decades, so-called "regenerative" or "stem cell therapy clinics" have been popping up all over the country. The treatments offered from these kinds of clinics are often ineffective due to outdated technology, unqualified staff, and/or a lack of testing and outcomes research.
