General Prologue The General Prologue begins with a description of how April's showers cause flowers to bloom, crops to grow, birds to sing, and people to want to make pilgrimages - journeys to holy places. In England, people especially like to go to Canterbury to pray at the shrine of a holy saint who healed them when they were sick.

The General Prologue - Translation

This leads to a lot of conflict in a group of pilgrims formed by members of that same society, who often take offense at the versions of themselves they see portrayed in the tales. The General Prologue to The Canterbury Tales and the interactions between the pilgrims that occur in between the tales, then, form a story of their own.
