The English landscape garden, also called

Download Free The Good Garden

The English landscape park or simply the English garden, is a style of "landscape" garden which emerged in England in the early 18th century, and spread across Europe, replacing the more formal, symmetrical jardin à la française of the 17th century as the principal gardening style of Europe. The English garden presented an idealized view of nature. It drew

major plants with two
or three contrasting
forms. A landscape
without strong,
contrasting forms

becomes as confusing
as a melody without
rhythm. The form and
shape of plants and
other objects in the
garden work to divide
space, enclose areas,
and provide
architectural interest.

The good thing is that the principles that guide you to setup the interiors of your house can also be applied for the garden landscape ideas. The most important thing is to know what you really want. So, think about all the things that you would want out of your garden and how you will utilize the space.
