### **Amazon.com: The History of Cuba, vol. 4 eBook: Willis ...**

This work The History of Cuba Vol. 1 is the first of four by Willis Fletcher Johnson. Johnson was a journalist rather than a historian but he consulted and referred to many primary sources in this work. While I found it readable, especially considering his early 20th century style, it had points where it dragged too.

Having said that, the history from 1492-1920 does have relevance to modern day Cuba, I read these four books before and during my first trip to Cuba and was glad I did. Just wish I had a better understanding of what I was about to read so I could have added something more contemporary.

### **The History of Cuba vol 1**

For forty years Cuba was a pawn in the game between these contending factions. Of course this issue was disposed of by the Civil War and the consequent abolition of slavery in the United States. Another issue was that of expansion.
