Project Gutenberg is a wonderful source of free ebooks - particularly for academic work.

However, it uses US copyright law, which isn't universal; some books listed as public domain might still be in copyright in other countries. RightsDirect explains the situation in more detail.

The subject presented in this book seems to me to be of paramount importance to those afflicted with alcoholic addiction. I say this after many years' experience as Medical Director of one of the oldest hospitals in the country treating alcoholic and drug addiction. There was, therefore, a sense of real satisfaction when I
