Orphans (song) - Wikipedia

1- To dream of an orphan indicates that we may be feeling vulnerable and possibly abandoned and unloved. If we are looking after an orphan we are attempting to heal that part of us that feels unloved. If we experience ourselves as having been orphaned it may indicate that we need to be more independent and self-sufficient.

One of the main messages of the dream is that many of us have taken on a wrong sense of identity. The orphan spirit speaks of a mindset that does not truly believe God is our Father—at least not in the way He wants us to understand this reality. I know many people who say that God is their father, but they live as if He is not.
