The Patient Ferment of the Early Church on Apple Books

Challenging traditional understandings, Kreider contends the church grew because the virtue of patience was of central importance in the life and witness of the early Christians. They wrote about patience, not evangelism, and reflected on prayer, catechesis, and worship, yet the church grew—not by specific strategies but by patient ferment.

The Patient Ferment of the Early Church: The Improbable ...

Alan Kreider, *The Patient Ferment of the Early Church. The Improbable Rise of Christianity in the Roman Empire*, Grand Rapids 2016, 321 p. Santiago Guijarro *La rápida expansión del cristianismo y, sobre todo, el hecho de que esta difusión fuera acompañada de un arraigo profundo y duradero es un enigma histórico que no deja de cuestionar a quienes se acerca a él.*

The Patient Ferment of the Early Church: The Improbable ...

The Patient Ferment of the Early Church is a marvelous and inspiring book.—Kate Cooper, professor of ancient history, University of Manchester In this remarkable book, Alan Kreider refocuses our attention on patience, the cardinal virtue of the early church's witness, with rich attention to how this was cultivated in worship and catechesis. The allure and beauty of a patient people is something a triumphalist church forgot.

The Patient Ferment of the Early Church : The Improbable ...

In his book, *The Patient Ferment of the Early Church*, the late Mennonite historian Alan Kreider explained Christianity's extraordinary rise from a beleaguered sect to the movement that transformed the Roman Empire. As one reviewer of Kreider's book put it, "Christianity probably shouldn't exist."

The Patient Ferment of the Early Church: The Improbable ...

The Patient Ferment of the Early Church by Alan Kreider, an academic book by a Harvard trained PhD, professor emeritus of church history and mission at Anabaptist Mennonite Biblical Seminary. It was an academic book, so it was exhaustingly comprehensive and tedious at times and certainly not for everyone.

The Patient Ferment of the Early Church: The Improbable ...

The Patient Ferment of the Early Church is a marvelous and inspiring book. —Kate Cooper, professor of ancient history, University of Manchester; author of *Band of Angels: The Forgotten World of Early Christian Women*

The Patient Ferment of the Early Church: A Summary by Peri ...

Alan Kreider begins his marvellously titled book, *The Patient Ferment of the Early Church*, with some striking observations about mission in the early church. Kreider notes that while the early Christians produced three texts on patience (Tertulian, Cyprian, Augustine), they did not produce a single text on evangelism.

Patient Ferment of the Early Church: The Improbable Rise ...

The Patient Ferment of the Early Church Quotes Showing 1-28 of 28 "In between the two were the writers of the Apostolic Tradition, who forbade a catechumen or baptized believer from entering the legions, but permitted him, if he were attracted to the faith while in the legions, to stay there on one condition: "Let him not kill."

The Patient Ferment of the Early Church: The Improbable ...

The patient ferment of early Christians here sometimes feels like a separationist lifestyle of minding one's business in the face of social and religious opposition. To his credit, however, Kreider concedes his own limitations and his theological subjectivity (p. 4).
