The Posthuman by Rosi Braidotti is an impressive display of intellectual virtuosity, but I suspect it may be an exercise in futility as well. The author subtly interrogates a vast range of works that purport to be post-humanist or zoocentric, from deep ecology to ecofeminism, concluding that they are ultimately tied to anthropocentric and humanistic paradigms.

posthuman than some of the well-meaning and progressive neo-humanist opponents of this system. I will return in the next chapter to the opportunist brand of the posthuman developed in the contemporary market economy. Critical Posthumanism The third strand of posthuman thought, my own variation, shows no conceptual or normative ambivalence towards

Rosi Braidotti - Wikipedia

The posthuman ethics that Braidotti envisages are based on an embodied, embedded and thus partial form of accountability that emerges from joint projects and activities across species and generations (ibid.). Where these alliances will take us remains to be explored.

About | Rosi Braidotti

Summary of Rosi Braidotti's The Posthuman (Part 2) Braidotti goes on to present an alternative to this consumerist individualism, advocating an emphasis on zoe, or the generic animating life force which is a property not of an individual or species, but rather of the monolithic universe of matter.

Summary of Rosi Braidotti's The Posthuman (Part 1) Braidotti is coming at posthumanism from a distinctly anti-humanist tradition, so the first bit of the book is a very focused take-down of humanism and all the anthropocentric values that make it problematic. A central theme from the work is her Zoe-centric ethics,...

THE POSTHUMAN is a rather startling work that requires heavy concentration on the part of the reader to follow the brilliant thinking of the author, Rosi Braidotti, a contemporary philosopher and feminist theoretician `who makes a case for an alternative view on subjectivity, ethics and emancipation and pitches diversity against the postmodernist risk of cultural relativism while also standing against the tenets of liberal individualism.'

Posthuman Humanities - Rosi Braidotti, 2013

Description. The Posthuman concludes by considering the implications of these shifts for the institutional practice of the humanities. Braidotti outlines new forms of cosmopolitan neo-humanism that emerge from the spectrum of post-colonial and race studies, as well as gender analysis and environmentalism.

The Posthuman by Rosi Braidotti - Goodreads

In Posthuman Knowledge, Rosi Braidotti takes a closer look at the impact of these developments on three major areas: the constitution of our subjectivity, the general production of knowledge and the practice of the academic humanities. Drawing on feminist, postcolonial and anti-racist theory, she argues that the human was never a neutral category but one always linked to power and privilege.

The Posthuman - Theory Tuesdays

The second phase of Braidotti's research consists of a trilogy on the posthuman condition. The first volume is The Posthuman (Polity Press, 2013) and it sets up the general framework for the convergence of advanced technologies on the one hand, and advanced environmental devastation on the other. As the boundaries between the human and its others are becoming increasingly blurred, through our digital lives, reproductive technologies and genetically modified foods, the question of what it ...
