that soothe, charm and beguile, but actually they are thugs.

BBC - Arts - Simon Schama's Power of Art

With Simon Schama, Grégoire Bonnet, Allan Corduner, Andrea Gherpelli. In each episode historian Simon Schama treats, in his own erudite, unconventional and somewhat socially engaged style, a work of art from a great master. He concentrates not just on the art history as such, but mainly on the relationship between the work and the historical context of its creation, as this touches the ...

In four lectures, Professor Simon Thurley considers the interaction of art, architecture and power in sixteenth and seventeenth-century Britain. He asks why monarchs and aristocrats collected what we now call art and how it fitted into their world picture. He investigates the relationships between artists, architects and their patrons within the power politics of the age.
