In fact, this new point of view encourages giving equal value to all our emotions, regardless of the power they yield. Negative emotions have an unquestionable value of being able to help us to adapt to different situations.

### The Power of Positive Emotions (for Teens) - Nemours ...

So the hidden meaning of annoyance is that you are basically unable to accept people just the way they are. Behind all the negative emotions of annoyance and anger, there is a hidden desire to bring the situation under one's control. It means that we get irritated when something goes wrong and not as we expected.

### The gift and power of emotional courage | Susan David

Yes, its very true that "negative" emotions are real, they are part of life and they should be faced, rather than suppressed. Everything in life should be faced, nothing should be avoided just because it gives us an emotion that we either do not like or are not comfortable with.

### The Power of Negative Emotion by Todd Kashdan

The happiness industry can lead us to believe that negative emotions are bad. That we must and can be happy all of the time. That feeling negative emotion will attract more bad things into our lives and keep away the good stuff. I know from experience that believing this in the past did nothing other than increase my negative emotion.

### The Positive Power of Negative Emotions | IntrinsicCare ...

A recent study, published in the journal Emotion, suggests the key lies in helping people not simply avoid negative emotions but cultivate positive emotions. These positive emotions, it seems, help build inner strength and resiliency—which, in turn, pave the way for lasting happiness.
