The Public Culture An Argument With The Future

Abstract. Agonism – taking a warlike stance in contexts that are not literally war – pervades our public and private discourse, leading us to approach issues and each other in an adversarial spirit. The resulting "argument culture" makes it more difficult to solve problems and is corrosive to the human spirit.

The Argument Culture is about a pervasive warlike atmosphere that makes us approach anything we need to accomplish as a fight between two opposing sides. The argument culture urges us to regard the world—and the people in it—in an adversarial frame of mind.

The Rationale for Public Culture | Americans for the Arts

Through its political and moral rhetoric, its music, its television, a society constructs its public culture. The state uses its control of the media to impose its values. Since the first edition of this work, the world has experienced the collapse of the Eastern European and Soviet regimes. If, in a liberal-democratic society, the economy was failing at a time of strong ethnocentric drama, can we be sure that the liberal-democratic elements in the public culture would have permeated the ...

The Argument Culture | American Academy of Arts and Sciences

Unique among Tannen's books, The Argument Culture focuses on public discourse - in the press, politics, the law, and education. Our society has become overwhelmingly adversarial, with consequences not only in our ability to solve problems but also in our personal relationships. The war on drugs, the battle of the sexes, politicians' turf battles—war metaphors pervade our talk and shape our thinking, urging us to approach anything we need to accomplish as a fight between two opposing sides.

Public Culture | Duke University Press

The argument from culture, let's call it the argumentum ad culturam, is an attempt to undermine the legitimacy and primacy of Scripture for Christian living, while claiming to honor the Scripture for what "it really says.". It is the basic hermeneutical assumption of the culturalists. This argument states that since Christ (or Peter, or John, or Paul, etc.) addressed people bound by a certain place, time, and culture, the message's proscriptions and prescriptions are likewise bound ...

The Public Culture An Argument With The Future

Not all the argument are equal importance; but each one provides an insight into how the case for public culture is perceived by its various supporters. By examining each of the arguments (economic, educational, moral, political), I hope that a rationale for public culture will become clearer. In effect, this is a public commitment to the principle that culture is a good in itself and government subsidy is necessary to guarantee its preservation and to increase its accessibility.
